Phaedo Second Edition Plato G M A Grube Google Books

Plato felt governors must be philosophers so they may govern wisely and effectively. Plato founded the Academy, an educational institution dedicated to pursuing philosophic truth. The Academy lasted well into the 6th century A.D., and is the model for all western universities. Its formation is along the lines Plato laid out in The Republic. Many of Plato's essays and writings survive to this day. Plato died in 347 B.C. at the age of 80.

I have no desire to critique Plato or to give a synopsis of his Phaedo. What drew me to this review is actually the translators' introduction.
