Richard Burton: A Life by Melvyn Bragg - Goodreads  
Start by marking Richard Burton: A Life as Want to Read.  
Bragg's tome is an intentionally rich (pun intended)  
chronology written in, for all I know, a Welsh  
conversational style. We see the hero Burton reach his  
pinnacle early and quickly and from there begin to  
examine those cracks and fissures that we mistook for  
confidence. If you've ever viewed an interview with  
Richard Burton
