Jack Steel plunges us into a dark world of fear and abject hopelessness and builds the tension between the reader and his subject throughout the book - on the one hand, there is the insight of Inspector Abberline, on the other the progress of the killer and overall the one person who has knowledge. I could not put the book down! I thoroughly recommend it to readers of crime and historical novels. As no-one will ever discover who Jack the Ripper was, this is a very plausible take.
