The Roman Hat Mystery Wikipedia

The novel deals with the poisoning of a disreputable lawyer named Monte Field in the Roman Theater in New York City during a performance of a play called "Gunplay!" Although the play is a sold-out hit, the corpse is discovered seated surrounded by empty seats. A number of suspects whose pasts had made them potentially susceptible to blackmail are in the theater at the time, some connected with the Roman Theater and some audience members.

The Roman Hat Mystery Audiobook by Ellery Queen

Loving mysteries, I have long intended to get to these books because they're a significant part of the American contributions during the classic mystery writing period. (This one was originally published in 1929). Being a lover of mysteries from that time, so far as I can tell, this is about as good as it gets.

The principal clue in the mystery is the disappearance of the victim's top hat, and it is suspected that the hat may have contained papers with which the victim was blackmailing the murderer. A number of suspects are considered, but nothing can be proved until Ellery performs an extended piece of logical deduction based on the missing hat and thus identifies the murderer.
